

Welcome back everyone. We hope you all had a lovely Easter break. This term we would like to introduce a new member of staff, her name is Lucy and she will be working every Tuesday.

#### **POSITIVE BEHAVIOUR CHART.**

This term we had joint winners – they were Owen White and Edward Henriksen, well done to both of you, second place went to Louis Broadbent, well done and third place went to Callum Edward, well done. Keep up the good work guys.

#### **OUTDOOR ACTIVITIES.**

With the better weather arriving we will be going over to the school field. Please could you make sure that your children have sun cream, sunhats and water bottles.

#### **CHILDRENS PLACES AT THE CLUB.**

At the end of each term we will assume that your children will be attending the same sessions unless we hear otherwise. If your children will not be attending the club the following term or you wish to change sessions please let Paula or Julia know as soon as possible so that we can run the club as efficiently as possible. Many Thanks for your cooperation with this matter.

#### **CASUAL BOOKINGS.**

If you would like your children to attend the club on a casual basis then we do require payment on the day when you come to collect them. This reduces the administration work for the staff.

#### **SCHOOL CLUBS.**

If your children attend the clubs provided at St Botolphs please could you inform us if they need to be collected or if they are alright to walk across by themselves.

#### **SICKNESS.**

Please remember that if your children are sick you must contact the club on one of the numbers below as it is not Mrs Leeders job to inform us of any absences.

## **INVOICES.**

**As from this term Paula and Julia will be taking over the invoicing from David Harrison. With the help of David they have generated the bills for this half term so there should not be a problem, but next term they will generate them without David's help (or try) so if there are any problems then please do not hesitate to come and speak to them and they will try to deal with any issues as efficiently as possible. Many Thanks.**

## **AUCTION OF PROMISES.**

**To date we have approximately 35 lots. The auction of promises will be held at Rickinghall Village Hall on Saturday 5<sup>th</sup> July. This is a family event so children are welcome, and if the weather is fine then we have use of the playing field.**

**If there are any parents who are willing to offer their services for this worth while fundraiser then please see Paula or Julia.**

## **SHHHH NIGHT.**

**We have organised a 'Shhhh night' with Fiona Nichols and this will be held on 5<sup>th</sup> September 2008 at Rickinghall Village Hall. More details to follow next half term. In the mean time if you would like to know anymore about this event then please talk to one of the After School Club Staff or call the numbers below.**

## **COMPETITON.**

**The club has been running for five years now and we have decided that it would be a good idea to look at refreshing the club logo. From next week we are asking all the children who attend the club to design a potentially new logo for us. If the children do not wish to participate in this competition they are under no obligation to do so, it's entirely up to them. The winners' logo will be used on all after school club material from September and there will be a prize as well. Good Luck.**

**Thank you for taking the time to read our newsletter.**
