

IMPORTANT INFORMATION

Please note that the Breakfast Club now has a new mobile phone number which is
07758102043

For information regarding your children attending this club, please call this number.
The After School club **has not** changed.

Welcome Back!

What a lovely Easter holiday we all had, the sun shone and we had lots of fun on the 2 activity days held at the school. We thank you all for supporting these days where your children were able to take part in archery, cheer leading and a host of craft/scientific activities. We think that they all thoroughly enjoyed themselves, we certainly did and hopefully we will be able to repeat these again in the future. With your support we were able to raise approximately £400 which will be spent on providing equipment for the summer months outside.

The club would appreciate any feedback regarding these 2 activity days. This helps us enormously to organise any future events. You can use the slip below to give us any feedback.

Jellystone Band Night

We would like to say a very big thank you to everyone who supported this fund raising event and again, we raised over £400 which will also be used to buy more equipment for the children at both the After school and Breakfast clubs.

Warmer Weather

Now that the warmer weather is hopefully here, we will start to take the children out to the school playing fields after their snack in the afternoons. Could you please make sure that if the sun is shining bright, they bring along a cap. We will always provide drinks for them. If they do need to use sun cream lotion, they will have to put this on themselves, but it is so important that they do use the cream if the weather is very warm.

Spaces At After School club

Spaces are very limited at the After School club, especially on Wednesday and Thursday. If you do require your child/children to attend on a casual basis, please check with staff for availability. If you want your child/children to attend on a regular basis due to, maybe starting a new job or extending your working hours, please chat with either Paula or Bridget to book them in.

PD Days

Over the last few weeks we have parents approach us regarding opening the After School Club on PD Days. We would like to have numbers of children who would attend these days should we decide to open. Therefore if this might be of interest to you, would you please sign and return the tear off slip at the bottom of this page. Once we have a better idea as to how many might be interested, a further meeting will take place to discuss costing, venue and feasibility of opening on these days. We will leave a box in reception for your replies.

Future Fund Raising Event

We are still in the process of organising our next fund raising event; make sure you get to know your partner or best friend a little better as we plan on holding a ‘Know your Partner/Friend’ evening late May.
