

Hi everyone,

Hope you all had a good half term holiday. The weather was good for us so let's hope it continues.

Friday closure.

Unfortunately due to the very low numbers on a Friday we have had to make the decision to temporarily close the club on that day from September as we are making an operating loss. We are very sorry for any inconvenience that this may cause. We will have a waiting list available and when we have a minimum of 9 children on the list we will reopen on a Friday.

Breakfast Club.

Recently we distributed a questionnaire throughout the school and it appears that parents require a breakfast club, so we have decided to provide this provision from September. This will be located in St Botolphs Primary School. We are hoping to open at 7.45-8.45 and charge £4.00 per child but we still need to finalise a few things so more information will follow very shortly. In the mean time over the next couple of weeks we will be in the play ground or in main reception if the weather is bad with signing up forms for all parents who wish to use the breakfast club so that we are able to provide the correct staffing ratios for September and inform them of times/ dates etc. This is a step closer to providing full wrap around care for parents who require it.

Sunny weather.

Hopefully this half term we will get outside most days if the weather is warm, so please can all parents make sure that they provide sun hats and water bottles for the children. You can also provide sun cream for them too but they must be able to apply it themselves and not give it to other children due to the risk of allergies. Thank you

Shhhhhh Night

During half term we held another Shhhhh evening with Fiona Nichol. Although the numbers were very low the people who attended had a good evening.

STR.

STR will still be with us every Thursday from 4.30 – 5.30. If the weather is warm we will be over at the school playing field.

Fees.

We still have many outstanding bills from last half term. All parents that have not paid their bills please can they do so ASAP. Many Thanks.

Contacting the club.

Please can all parents inform the club, NOT THE SCHOOL, when there children are not able to attend the club. We need to know ASAP as we may have to rearrange our staffing levels to accommodate the children that attend the club. The club number, Julia's and Paula's numbers are below. Thank you for your co operation in this matter.

Contact Numbers

Club – 07952 961285
