Welcome back everyone to a new term we hope you all had a wonderful summer holiday enjoying some of the warm weather during August. We would like to offer a warm welcome to Mark Cobbold our new Head Teacher.

Summer Club

For the first time we opened up for 2 weeks during the summer holiday. We were open from 9 to 5 every day and offered the children a wide selection of different activities to enjoy. This was huge success and we are opening up during October half term. If you are interested in attending during this week please speak with a member of the club to get further details, or download an enrolment form from our website.

Fundraising events

Due to bad weather in June, we had to postpone our annual **netball challenge** tournament. This was rescheduled on Friday 21st September and proved to be a great success. The winning teams this year for the adults was from Hartismere and the children the Silver Surfers, both teams look forward to trying to retain their trophies at the next challenge later next year. Thank you to everyone who took part and helped make the afternoon a success and congratulations to the winners.

Other Events

This year we will be distributing **chocololics catalogues** to raise funds for additional resources for the club. If you are interested in placing an order for your Christmas chocolates, please come and see a member of staff. We will be taking orders together with your monies up to half term which is the 26th October. We have already been handing out catalogues and a lot of you would like to order for Halloween. Please let us have your order forms as soon as possible if this is something you too would like to order for.

We had a very successful **bingo** event last year and hope to organise this again with kind permission from the school. More details to follow shortly.

Club spaces

We usually have spare spaces at both our breakfast and after school club. If you fancy a day out Christmas shopping with friends or just a girlie break from your usual routine day, please speak with a member of staff to book your child into the clubs. If you are not already a member of the club, we do require an annual subscription of £10. The session fees are £5 for breakfast club per child, £8 for after school club for your first child and £7 for siblings.

Club Vehicle

You will probably have seen our beast travelling around the village collecting children – we do offer a drop off and collection service to surrounding schools – Wortham Primary School Mellis Primary School, Gislingham Primary School and Roydon Swan. There are additional travelling charges for this service in addition to the normal daily session fees.

For any other information or queries, please do not hesitate to contact a member of staff who will be more than happy to discuss any queries you might have.
