

Hi everyone,

We hope you all had a great summer holiday. We would like to welcome all old and new families to our club.

AGM

We held our AGM on 22nd August with a proposal for the club to become a CIO (community incorporated organisation). It was decided that this proposal would be a good move to secure the future of the club. We are now in the very early stages of moving this proposal forward and will of course keep all parents informed as and when things progress but should you wish to find out more information about this move then please speak with Paula or Bridget.

Contacting the Club

If your children will not be attending any of the clubs due to illness or going to a friend's then please can you contact us at the earliest possible moment and not the primary school as this is not the job of the secretary to pass on this information. Our numbers are increasing and we don't want to turn children away due to thinking we are full only to find out on the day that some children are not attending and we have not been informed. We may not be able to get to the phone but if you leave a message we will pick it up. The numbers to contact us on are as follows:

**BREAKFAST CLUB – 07758 102 043
AFTER SCHOOL CLUB - 07952 961 285**

Fundraising

This half term we have a list of fundraisers that we would like to hold. We would like the parents of the club to choose which ones they would be interested in attending. We need to continue to fundraise to enable us to provide the children with a wide selection of activities so please support us as much as possible.

Band Night with SugarRush

This event will be held on Saturday 24th September 2011 @ Botesdale Village Hall, doors open at 7.30 pm. Tickets cost £7.50 each and there will be a licensed bar. PLEASE NOTE THAT THIS EVENT IS FOR OVER 18's ONLY.

Billings and Invoices

We now have a new invoicing system which will hopefully be easier for everyone to understand. We may come across a few teething problems but if this happens then please be patient with us and we will sort them out ASAP.

Policies and Procedures

Please be aware that the clubs operational procedures and policies are always available for you to view at every session should you wish to.
